

Your Vibe, Now in 3D

ELEGOO × emoji Centauri Carbon 2 Combo

As the first emoji® co-branded 3D printer, this edition makes multicolor printing feel more personal, playful, and easy to start. With 4-color printing, wide material compatibility, auto-calibration, and quiet operation, it is made for everyday projects, creative prototyping, education, and design.

The First emoji® – themed 3D Printer

Custom UI & Built-in Printable Models

More color,
more you

4-Color
Printing

From cute to bold, make colorful
pieces that reflect the way you feel
today and every day.

Quiet in the
Room

Operation ≤ 45 dB

Runs quietly in the background,
so 3D printing fits naturally into
home life.

STEM That Feels
Like Play

Easy to start, safe to use.
Kids watch ideas grow layer
by layer while learning
through play.

Create Fun
Together

Build Volume:
256 x 256 x 256 mm

Make models with your family,
and fill your home with moments
you created together.

Fun Starts Fast
